

**208 DUECENTO OTTO
EVENTS AND FUNCTIONS**

We take care of everything you need for your event...without the drama.

THE VENUE

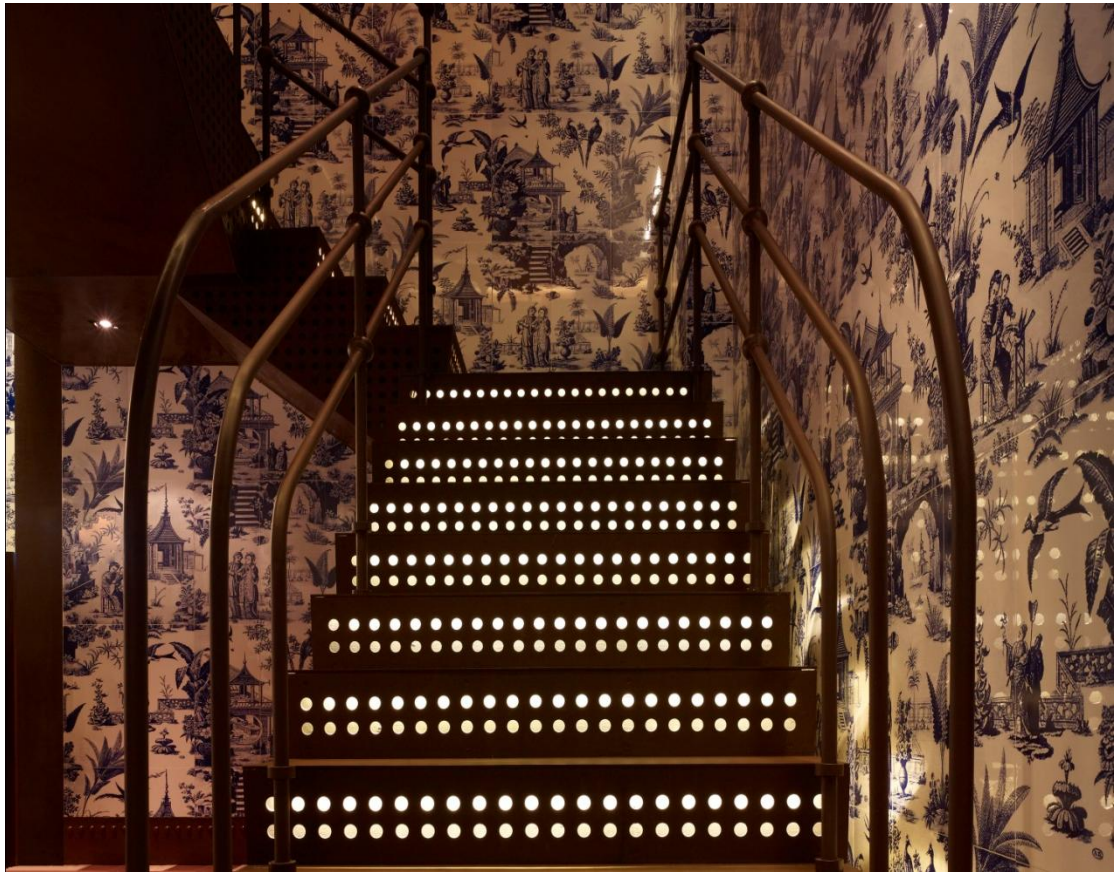

208 is located on Hong Kong's art and antiquing Hollywood Road in the up-and-coming Sheung Wan district, an area akin to New York's Meatpacking District in its early days, now a blooming art and design scene.

Set in a striking two-storied venue, formerly a meat storage warehouse, 208 Duecento Otto combines a lively bar downstairs with a more intimate upstairs dining room, both with semi-outdoor seating, overlooking Hollywood Road.

At the buzzing bar with its distinct New York City vibe, delicious aperitivi, cocktails and wines are paired with authentic Napoletana pizzas and antipasti for casual all-day dining.

An interior staircase leads up to the restaurant, a more intimate option with a unique menu of rustic Italian cuisine.

The gorgeously designed 4,000 square foot restaurant and bar, with its chic yet fun interiors can cater to 150 for cocktails, 100 for dining. And our cosy private dining room is perfect for truly intimate events.

THE CUISINE

Running the kitchen is Executive Chef Vinny Lauria who brings rustic Italian cuisine to the tables of 208 Duecento Otto. Dishes are prepared from scratch using the freshest ingredients, with a sensitivity towards sustainability and not using anything pre-made. Good food is about enhancing the natural flavours of the ingredients, not overpowering them, and this is the focus at 208, where the menu is made up of dishes that our patrons love to eat frequently – rustic, traditional, tasty dishes.

208's famous pizzas are created by Enzo Carbone, a seasoned chef and Neapolitan pizza specialist, who comes from a family of trattoria owners in Naples. The pizzas are prepared to the specifications of The Association Verace Pizza Napoletana – using only buffalo mozzarella imported from Italy and the freshest ingredients and baked in a custom-designed pizza oven shipped in and hand-built by an artisan from Naples – ensuring that the aromas of Italy penetrate the venue

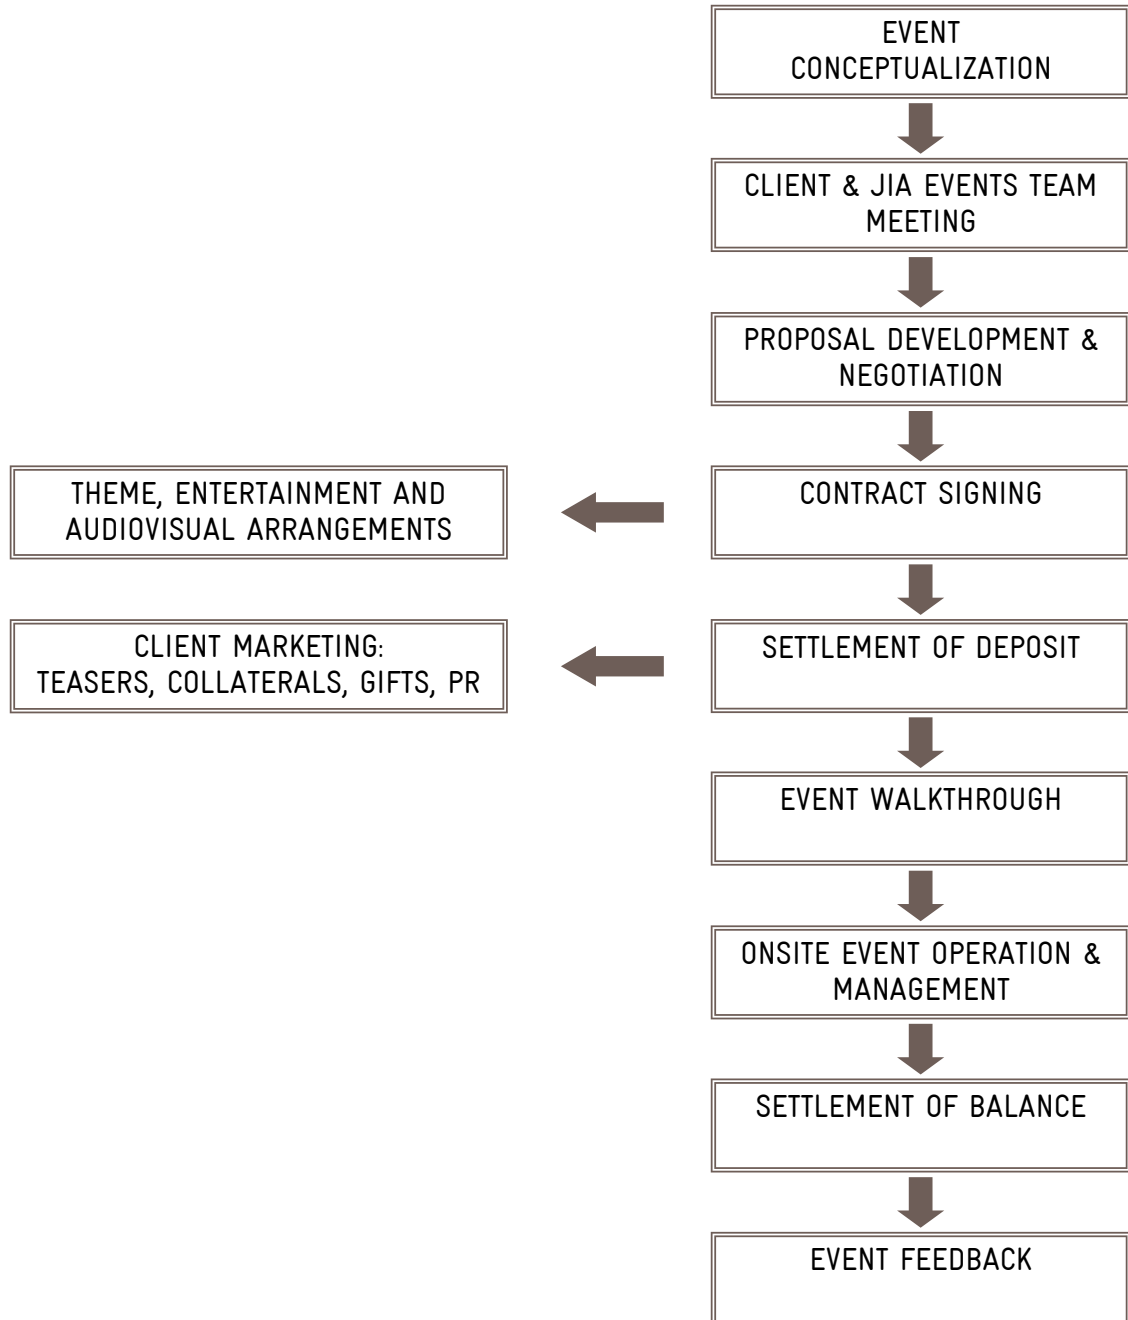

THE BAR

Our dynamic menu of wines reflects the personality of this buzzy New York-style restaurant and bar. The list beautifully complements 208's rustic Italian cuisine – with 20 wines by the glass, and 70+ by-the-bottles. The selection tells a story of new vs. old, matching a vibrant new take on old world products, against carefully selected "will-be-classics" from the new world – a bold and refreshing cross-over.

The wine list is backed up by a 20 strong cocktail list, again adding subtle surprises. Reintroducing the Sherry Cobbler, Gibson, New York Sour, Bronx & Old-fashioned, along with Coolers, Fizzes & the unashamedly full-bodied 208 Manhattan, Chris injects a sense of class and "adult" back into drinking cocktails...guaranteed to spark life into any celebration.
